No matter what alls your child, a gentle, therough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach-sour, breath bad or has stomach-ache, diarrhoes, sore throat full of cold, give a teaspoonful of "California Syrup of figa," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.
